Member Responsibilities

All parents/caregivers are responsible for returning toys taken from the storage area for their group and returning chairs to the table after each class. All are responsible for cleaning up the classroom, including taking out the garbage when full, wiping down snack tables & vacuuming. The room should be left in a clean condition for the next class to enjoy.

We encourage all parents/caregivers to provide a craft and snack for their group periodically throughout the session. Our well-stocked closet includes crafting basics such as construction paper, glue & scissors, and the like.

Craft/Snack

Class size averages 5-10 children. Please keep this in mind when preparing crafts and/or snacks.

As a Craft Parent, it is your responsibility to prepare the project before the group meets. If you will be unable to attend, please make arrangements to have the craft picked up and brought to the group in time for your class.

As the Snack Parent, you are responsible for bringing a snack and a beverage for the children. Please bring only clear beverages to avoid carpet stains. Also, please avoid bringing in snacks which may pose a choking hazard (grapes, popcorn, etc.). **Please be mindful of ingredient lists due to the large number of food allergies these days.** Snack Parent is responsible for vacuuming after the group is over.
