2017 CURBSIDE COLLECTIONS

This is the 2017 calendar for the Park Ridge residential curbside solid waste and recycling collections. Please keep this schedule handy throughout the year as a ready reference.

Kindly refer to the legend by the monthly calendars for an explanation of the abbreviations used. The Borough is divided into two collection zones. Zone E is the east side of Park Ridge including Pascack Road. Zone W includes all streets west of Pascack Road. The designation E/W means the entire Borough is scheduled for pickup on that date. **To evenly distribute the days with no garbage collections due to holidays, we have scheduled garbage pickup on November 24 on the west side (Zone W) instead of the east.**

Household solid waste and recycling should be placed at the curb no later than 6:00AM on the scheduled day of pickup to ensure that your home is not missed.

Residents may leave up to two large bulk waste items out for disposal by the curb on any of your designated garbage collection days. Each item cannot weigh more than 100 lbs. and should be waste materials only (e.g. furniture, rugs, mattresses, etc.). If you have more than two large items, items weighing over 100 lbs., or you are disposing of metal items that can be recycled as scrap metal (e.g. appliances) you should call the Borough Hall to set up an appointment for a large item trash (TR) pickup. These collections are scheduled every other Monday except during leaf collection season – mid-October through December, by the Borough's Road Department, **by appointment only.**

In addition to the curbside collections, the Borough operates a full service Recycling Center-Compactor (R/C) which is open on Wednesdays from 9 AM to 3 PM and Saturdays from 9 AM to 2 PM. It is available for residents only, and you must have a hanging tag permit attached to your rear view mirror to enter the facility. **New permit tags for 2017 and 2018 are included with this mailing.** See the attached insert for items that are accepted at the Recycling Center. The R/C is located at the end of Sulak Lane (off of Pascack Road between the Lukoil gas station and the Pascack Reformed Church). There is also a trash compactor located at the facility for items not disposable through the curbside garbage collections.

Branches (BR) are also collected by the Borough's Road Department, **by appointment only**, between April and September. Branches, twigs, and other yard waste can also be brought to the R/C. During leaf pickup, please do not place branches with leaves as neither will be removed.

You must call 201-573-1800 by 1:00 P.M. on the Friday prior to the Monday collection date to be put on the Branch (BR) or Large Item (TR) pickup list.

Grass (GR) is collected curbside weekly by the Borough's contracted collection company from April 1 to October 15 and may also be brought to the Recycling Center throughout the year.

This schedule as well as additional information about the Borough's refuse and recycling programs may be found at www.parkridgeboro.com or by calling 201-573-1800.
