

DISCOVER PARK RIDGE'S FAIRVIEW ENVIRONMENTAL WALKING TRAIL

SUNDAY, SEPTEMBER 22, 2013

2:00 P.M.

The Park Ridge Green Team and Open Space Committee invite the local community to participate in a nature walk on the Fairview Avenue Trail on September 22 at 2 PM led by Park Ridge resident and naturalist Betsy Thomason.

During the walk through this densely wooded wetland, participants of all ages will identify local wildlife, flora, and fauna while engaging in a lively conversation about the natural habitat and how it fits into sustainable community development.

The Fairview Avenue Trail is located next to 85 Fairview Avenue and accessible from Rock Avenue in Park Ridge or from Grand Avenue in Montvale. The trail is an easy non strenuous hike appropriate for all ages. Please wear sturdy shoes for walking on the one-third of-a-mile dirt trail.

Registration is NOT required.
