|------------------------|--|---|
| PWSID#: NJ0247001 | Licensed Operator(s) of Record: W# 0027091 | - |
| | T# 0026984 | |

In accordance with the <u>Water Quality Accountability Act</u> (P.L. 2021, c.262 (C.58:31-6)), annual certification of compliance with certain State and federal requirements is required by the following individual* from public community water systems with >500 service connections:

- The Responsible Corporate Officer (for investor-owned systems),
- The Executive Director (for MUA's), or
- The Mayor or Chief Executive Officer (for municipally owned systems).

*Signing authority MAY NOT be delegated. For systems which do not have an organizational structure which provides the referenced title, the Department must first be contacted to confirm that the individual with the equivalent role may certify this form.

For each "Requirement" listed below, check "Yes" to certify that the purveyor is in compliance with that "Requirement" or "No" to certify that the purveyor is not in compliance with that "Requirement" for the current year. For each "Requirement" in which the purveyor is not in compliance, explain the nature of the non-compliance and what efforts the PWS is making to return to compliance. Please add additional pages if needed for explanations.
