

Who Are We?

Northeast New Jersey Legal Services is a non-profit corporation supported with public and private funds.

We provide free legal services to low-income residents of Bergen, Hudson and Passaic Counties in a variety of civil legal matters, including public benefits, housing, family, consumer, health, employment and education.

Our attorneys, paralegals and support staff are dedicated to providing the highest quality legal services. We seek to assure that access to the civil justice system is not denied to individuals within our service area simply because they cannot afford a private attorney.

NORTHEAST NEW JERSEY LEGAL SERVICES will make special arrangements to meet with you if you are homebound or disabled.
