PEAL

Phoning Elderly And Lonely

Many people who live alone have few people who call them --
or wish someone would call them regularly!
A reassuring voice on the phone lets them know someone cares.

*If you would like to brighten the day for a lonely senior,
be a PEAL caller!*

RSVP will train you and connect you with
one or more lonely seniors who are eager to hear from you!

*If you know someone who needs to be called,
call RSVP!*

RSVP will have a PEAL volunteer call them regularly!

For further information, contact RSVP
(Retired & Senior Volunteer Program).
