You've worked years for this and for three or four years as the Youth Advocacy Board (YAB) Representative, being the ONLY Representative for all of New Jersey. She has put in tons of work. I looked out at some of our Fire Recruits up here and it was yesterday, that Julia and I were teaching two of them about the crisis of opioids we are receiving in not only our state, but the nation. We all remember what we did in High School Julia is exceeding. It's amazing, Julia - please don't stop. All of the work that you have done with D.A.R.E, it is phenomenal! Speaker #1 - Pastor Mark Suriano - 150 Pascack Road: LETTER BELOW:

To the Mayor and Council Borough of Park Ridge, NJ June 11, 2019

I come before you this evening as a gay man and as pastor of the First Congregational United Church of Christ on Pascack Rd. here in town. In both these capacities I have sometimes found myself at the angry end of a tirade by some citizen or member of another church because I am gay, or even better, because I am gay and a Christian, or best of all because I am gay, Christian, and a pastor. The words are always hurtful, as they are intended to be, but to my mind, they are also whispers of a fear-based, violent mentality that that I believe is on its way to the ash heap of history since it is neither respectful of our shared citizenship nor of the Gospel of Jesus Christ. And thanks be to God for its swift end.

I am here tonight to add a voice that is neither fearful nor violent to these proceedings, but one that believes that the way to a better citizenship and to a better church is to err always on the side of inclusion and celebration of the widest variety of people we possibly can. In particular, the inclusion of those whose lives tend to get lost or are too often pushed aside. To fail in this is to suffer the fate of a kind of soul-sucking stagnation that robs everything of life, to become, if you will allow a biblical metaphor, a Dead Sea from which nothing living springs. I am certain that ought not to be our future and that by acting in the present to diversify our citizenry and our Borough we are acting with a vision of its best present and future.

I am proud of Park Ridge this evening and of the actions of the Mayor and Council to include people like me, and many others in our borough, who are LGBTQ+ people. Why? Because I think it is important to say something to people who are too often left on the fringes of things, to say that they are seen and valued. This is what Stonewall was about, some people creating a holy fuss so that the rest could see that they were there, and they weren't about to leave or quietly sit by while others determined their lives, and that they wanted to be recognized as valued members of society.

This is also why some members of my congregation are here this evening: to express our wholehearted support of the Ceremonial Proclamation for LGBTQ+ Pride Month, and to let LGBTQ+ people within listening distance know that First Congregational sees you and celebrates you every day. The Church hasn't always been the champion of the oppressed, despite what its Bible says, so we also ask forgiveness for its shortsightedness, while we as a congregation pledge ourselves to welcome and affirm our LGBTQ+ siblings with all that we can muster.

Thank you for your time this evening.

Sincerely

Rev. Mark J Suriano

Pastor

<u>Mayor Misciagna</u>: Thank you, Pastor.

Dear Mayor Misciagna and Councilmembers;

On behalf of the staff and students at Park Ridge High School, I would like to express our gratitude for you decision to recognize June as Pride month in Park Ridge.

As your proclamation notes, LGBTQ+ youth are significantly more likely to contemplate suicide compared to their straight peers. They are also more likely to be targets of harassment, and as a result often feel unsafe at home, in school, and in their communities.

Park Ridge High School takes this very seriously and works hard to help all students feel safe and valued. The borough's proclamation and subsequent decision to hang the Pride flag outside Borough Hall reinforces the fact that the town of Park Ridge values inclusion, respect, personal dignity, and civil rights. Many students have shared with me how validating and reassuring it is to know that their home community values *all* of its citizens, particularly its youth.

I wish I could appropriately convey just how supportive these efforts have been to our students—both straight and LGBTQ+—but I think it was best captured in an email I received from one of our English teachers, which states: "It is wonderful to see that all members of town and our global community are being embraced. After many years in education, I am delighted to see that a core value we often teach is being applied, that is, in the end we are all the same—humans."

Thank you for your leadership.

Sincerely,

Andrew Yeager

S.A.C./School Psychologist

Faculty advisor for S.A.D.D., Peer Leadership, and G.S.A.

<u>Mayor Misciagna</u>: Mark, I would like to give you a copy of this Proclamation. We are going to give one to the High School as well, and perhaps you would like to display it at the Church. We are proud to have you as residents of Park Ridge.

Pastor Mark Suriano: We would. Thank you very much – thank you for all of your work.

<u>Mayor Misciagna</u>: Thank you so much for the kind words. We appreciate it very much. It's a long coming and we are very pleased to be doing this for the first time in Park Ridge.

<u>Speaker #2 – Lori Fredrics – 5 Duke Court</u>: I would like to say thank you so much for responding to what I brought to you several months ago, amongst other people in the community. It really means a lot to me. It makes me so happy to see the flag hung there and what it means for Park Ridge. My sincerest thanks and the Proclamation was beautiful!

Speaker #3 - Katie Black - 50 East Ridgewood Avenue/Apt. #3/Ridgewood, NJ - Former Park Ridge Resident - I was in Park Ridge for about twenty-three years. I am a current member of First Congregational Church in Park Ridge. I was sent a letter today more or less in response to the objections that were received against the flag that was hung in town. The letter came from a current resident, Ashley Minetti. Ashley wrote: Dear Board of Trustees/Council Members & Residents of Park Ridge. Good Evening-my name is Ashley Minetti. I am writing to you as a resident of Park Ridge for over 20 years, as well as an LGBTQIA Ally. I want to thank Katie Black for reading this on my behalf, since I was unable to attend tonight's meeting. Letter: It has been brought to my attention that there has been some backlash about the Pride flag being hung up outside of Borough Hall. I am here to speak for those that cannot, within this community. This flag, and Pride itself, are more than just the colors - red, orange, yellow, green, blue and purple. It is a beacon of hope for everyone who is fighting to love who they want to love. But what is Pride? From the outside, it looks like a giant celebration of love. You see color, music, parades and peaceful acts. But, it is so much more than that. It is a chance to stand up and be proud of who one chooses to love, as well as a right for equality. We live in a small town and I can see how easy it would be for some to be uncomfortable with our town having a Pride Month in June. I would hate to see this flag getting a stigma slapped on it. The town is designated as a Stigma-Free zone. That means, that no matter ones race, gender, socioeconomic status, sexual orientation, or developmental level, there is supposed to be 100 percent acceptance. If we allow Stigma to flow back into this town, we are letting discrimination flow in too. We should be supporting our whole community in this town, not discriminating or showing prejudice against those who remain silent or who are openly out about who they choose to love. Change is inevitable. We can either sit back and watch our community turn on one another, or we can choose love instead. Showing those who identify within the LGBTQIA community respect and acceptance. I hope our town remains inclusive to current and future families who reside here. I want to thank you all for taking the time to call a meeting about something that is

so important to apply throughout people in this community. Thank you for remembrance. Sincerely, Ashley Minetti.

Katie Black: I want to add - thank you all so much for the inclusion. It is beautiful and as a bisexual woman who has lived here for most of my life, it feels good to feel included in a community that I have been part of for such a long time. Thank you everyone.

<u>Mayor Misciagna</u>: Thank you Katie, we appreciate your comments. I would like to say that I got no pushback from anybody. Matter of fact, I received dozens and dozens of compliments when we posted on social media that we were hanging the flag. The town is more inclusive than maybe some people give it credit for. I am proud that I didn't get any pushback on it at all, so that's a good sign. And, I would like to point out Carinne Murphy who is here. She brought this to our attention over a year ago and volunteered to buy a flag, but the borough bought the flag, so thank you Carinne.

<u>Speaker #4 – Carinne Murphy – 226 Doxey Drive</u>: Thank you so much for your leadership and for putting up this flag. I think everyone said it best that this is really great and it really does help everyone feel included in our community. That was very important to me, which is why I brought this to your attention last year. I received letters last year and I was asked to read them at the Mayor and Council meetings. Some were anonymous and some were openly with their names. There was a variety of letters received from people in our community and they really wanted the flag up. So, we joined together and people actually wanted to chip in to donate the flag, so it wasn't really about the flag, it was about the symbol of having the inclusion in our town. I really appreciate the Mayor and Council coming together and doing this. Thank you so much – I appreciate it.

Mayor Misciagna: Thank you.

<u>Speaker #5 – Gia Murphy – 226 Doxey Drive:</u> I would like to thank everyone who came to the picnic and who donated to my registered 501c3 non-profit company. I collected \$301.00. This money will help the homeless and the food insecure.

Mayor Misciagna: Thank you, Gia!

COMMUNICATIONS: NONE

OLD BUSINESS: NONE

NEW BUSINESS: NONE <u>Councilmember Mintz</u>: Quick announcement – Peppercorn's has generously offered for any dine-in people who have a valid 2019 Pool Membership that they will get 10% off during the summer. Another great reason to sign up to the Town Pool and we want to thank Peppercorn's for this generous offer!

Mayor Misciagna: Thank you Mike. And yes, Peppercorn's has new owners there, as most people know, they have been very involved with the town and we appreciate that! I also want to acknowledge the Recreation Committee. I really think we had the best picnic I can remember! I've been to an awful lot of them – the weather was perfect. It was just a really fun day. Everybody was laughing and smiling and the fireworks were spectacular! I recorded them for a minute or two at the end with the grand finale and posted it. I got hundreds of views on it, so it was a lot of fun. All of that happens – it kind of looks like you just wake up and it's all there. You have Liz Falkenstern who is our Recreation Director who does an exceptional job without much fan-fare and ALL of the volunteers. It's the same team that does the Ragamuffin Parade, Tree Lighting, Egg Hunt, Car Show and more. It's the same core group of wonderful residents here. You know who you are and I want you all to know how much I appreciate it. I really had a blast so thank you very much!
