Mayor Misciagna: I would like to open the floor to the public for a Public Hearing on the submission of a grant application for the 2019 Bergen County Trust Fund Municipal Program whereas the Borough of Park Ridge desires to obtain a matching grant in the amount of \$528,852.50 to fund the surface improvement, reconstruction, and recreational enhancement to Memorial Park – Davies Field.

Mayor Misciagna asks if anyone present has any comments or wishes to be heard concerning the above matter.

Speaker: Will Fenwick – 5 May Court - I see that it is a matching grant – so I am just wondering where the other funds are coming from. Are they coming from the Green Acres Program? Or, are they coming directly from the Budget?

Durene Ayer: They will probably be coming from the Open Space Trust that the Borough has.

Will Fenwick: Okay, that's my only question. Thank you.

FINANCE CHAIRPERSON MICHAEL MINTZ INTRODUCES TOM MADRU. HE WILL PRESENT THE 2019 MUNICIPAL POOL BUDGET. MR. MADRU SERVES AS THE TREASURER OF THE POOL COMMISSION.

TOM MADRU: Good Evening. I am the Treasurer of the Park Ridge Municipal Pool Commission. As a bit of background, I've lived in town for about forty-eight years. I have been on the Pool Commission for twenty-six years and the Treasurer for about twenty. I am also the Treasurer of the Library Board and I have been on that Board for about seven years and the Treasurer for four.

MAYOR KEITH MISCIAGNA INTRODUCES TOM FARINARO – UTILITY BOARD LIAISON

TOM FARINARO: Good Evening. I am the Liaison to the Utility Board. Members of the Utility Board are Mayor Keith Misciagna, Dr. Charles Moore, President, John Pouletsos, Vice-President, Matthew Levinson, Jeff Rutowski, David O'Sullivan and myself as the Council Liaison.

We meet twice a month. We have all of our Department Heads that come in and give us updates on their daily work. Department Heads consists of Bill Beattie, Director of Operations, Christopher O'Leary, Supervisor of Water & Sewers, Paul Longo, Supervisor of Electric, Angelo Dell'Armo is our Project Engineer and Peter Wayne is the Department of Public Works Superintendent. These are the guys that run the town; keep the power and lights on, the water running and the streets clean.

***THE 2019 UTILITY BOARD BUDGET CAN BE VIEWED IN FULL AND IS ATTACHED AT THE END OF THESE MEETING MINUTES.**

Michael Mintz: At this time I would like to open the floor to the public to anyone that has questions on any of the Budgets.

Speaker #1: Will Fenwick – 5 May Court - I am running for Mayor, for full disclosure, to anybody in attendance this evening. First question – I took a look at the town's website today, and having been to the past several council meetings and being at the meeting where the Budget was introduced, I knew that the Budget Hearing was today. Speaking with the Council at one of the prior meetings, you directed me as to where on the website the Budget would be, where I could find it. But, for the casual user of the website, if you are just going straight to the main page, there is no indication anywhere that the Budget meeting was today. It clearly stated there was a Council meeting tonight, didn't say that the Budget Hearing was today. There is a "News Section" on the website that has a listing of events going on in town, but not the Budget Hearing was listed.

Mayor Misciagna: I hope you are not implying that we were trying to hide the Budget Presentation – Mike has worked very hard on it. We are proud of the Budget and if you couldn't find it, I am sorry to hear that.

Will Fenwick: No, I am not implying that. No, I said, I found it. I asked the Council at the first meeting when I was looking for it, it wasn't on the website. It was then put up on the website. Like I said, it's just for the casual user, it's hard to find. That's just an observation. Maybe in the future you may want to put it in the "News & Events".

Mayor Misciagna: I am actually sorry to hear to that, because we changed our website just this past year to try and make it more user friendly, just for that reason. So, this upsets me to hear that and we will work on it for sure.

Will Fenwick: Thank you.

Michael Mintz: Just so you know - our town, I've been told this by our Auditor, our new Chief Financial Officer, we actually do these presentations from the Council and the members, and other towns don't do it this way. Basically, you have to look up and find out what your budget is. They don't tell you anything and you come to the meeting and they basically recite the number and let you ask questions. So, in this town, we do things differently.

We try to inform the citizens as to what's going on with our budget. We take pride in that, and we have been doing that and it's a long history of Park Ridge. So, your points are well taken, we will make sure that people get to see it next year on the website and get fully notified.

Will Fenwick: Thank you! My next question -- If you take a look at the Explanatory Statement and Budget Message within the budget, it indicates that the town utilized the CAP Bank this year. I know that every year the town passes an ordinance allowing for a CAP Bank, but when is the last time the CAP Bank was actually used?

Jeff Bliss: I would say that we probably used a portion of it last year, we didn't use all of it. And probably the year before that we might have used a small portion of it also. Although we've used it in the past, we've always still banked more than we used, and the same happened again this year. We were able to still bank some additional monies that we did not use from the bank.

Will Fenwick: The other questions you answered in the presentations. So, thank you.

Speaker #2 – Lori Fredrics – 5 Duke Court: I would just like to let everyone know that PKRG has been posting about the Budget meeting on our social media. I did tonight on Park Ridge Mom's – we put it on our unofficial Facebook page and we are broadcasting "Live" right now on television, so everybody can see it. I think it's also been on the town bulletin board. I think people are aware of it just from my perspective as a person in attendance here tonight and someone who is involved in broadcasting it.

Mayor Misciagna/Tom Farinaro/Mike Mintz: Thank you, Lori.

Mayor Misciagna: I would like to thank our Finance Committee made up of Mike Mintz and Rob Metzdorf. You have done a great job working with our new CFO this year. I know how many hours you have put in, all three of you. Especially to you Durene, you have done a great job and I am really proud of what you have done. So, thank you for all your hard work! I would also like to thank Tom (Madru) for being here and doing what you always do, we appreciate it. How many years have you been doing this?

Tom Madru: This is my fourth year doing it within the Mayor & Council.

Mayor Misciagna: Well thank you. I appreciate that! And of course, Tom Farinaro, our new Liaison to the Utility Board – we appreciate the information. And last but not least, Joshua (Salles), we have to give you another round of thanks!
