AGENDA CHANGES

PUBLIC PRIVILEGE OF THE FLOOR:

Council President Fenwick asks if anyone present wishes to be heard on any matter.

Upon recognition by the Mayor, the person shall proceed to the floor and give his/her name and address in an audible tone of voice for the records. Unless further time is granted by the Council, he/she shall limit his/her statement to five (5) minutes. Statements shall be addressed to the Council as a body and not to any member thereof. No person, other than the person having the floor, shall be permitted to enter into any discussion, without recognition by the Mayor.

1. Council President Fenwick stated that while he appreciated Mr. Crisaldi stepping forward and serving on the planning board, I was disappointed that Peter Montalbano did not receive the appointment as the Class 4 Planning Board member. Peter Montalbano has a wealth of experience that would benefit the Borough and served on the planning board, and for 11 years he was a member of the Bergen County planning board and the chair at one point. He has over 50 years' experience in land use. He lived here most of his life. He had the foresight back when the Sony development was first built to suggest that it be zoned for townhouses, that would have limited that development to 180 units. Whereas today, it's going to be more than double that size, so I think that he would have been an important voice on the planning board. I am disappointed he did not get the appointment.

ORDINANCES – PUBLIC HEARING

BOROUGH OF PARK RIDGE ORDINANCE NO. 2023-008

AN ORDINANCE TO AMEND CHAPTER 101 ENTITLED “ZONING” OF THE BOROUGH CODE OF THE BOROUGH OF PARK RIDGE, STATE OF NEW JERSEY

Borough Clerk: Ordinance No. 2023-008, An Ordinance to Amend Ch. 101 Entitled "Zoning" of the Borough Code of the Borough of Park Ridge, State of New Jersey

Mayor Misciagna asks the **Borough Attorney** to give a brief description of this Ordinance.

Borough Attorney: The ordinance as it existed there was concerns it was too vague to the point where it would not be enforceable as to what constituted drug paraphernalia. We looked at the definition that is set forth in 2C colon 36-1, mirrored that definition, within the ordinance to make the definition clear. The terminology goes to intended or used, which are the two key phrases that would have to be established in order to meet the definition of paraphernalia. As previously stated, this definition was challenged the New Jersey Supreme Court said the definition was constitutional provided it was enforced in a way that followed and then had a set of questions that you needed to establish in order to determine whether the paraphernalia or the object let's say was in fact being used or intended to be used for drugs.

Mayor Misciagna asks if anyone wishes to be heard concerning the adoption of this Ordinance.

Speaker: Council President Fenwick stated that he would like to reiterate his previous comment to the individual who had previously objected the ordinance, I want it placed on the record that this ordinance is not targeted against any one particular business, it would apply to all businesses in town.

Mayor Misciagna asks for a motion to close the Public Hearing on this Ordinance and that it be adopted with notice of final passage to be published in The Bergen Record.

A motion was made by Councilmember Capilli and seconded by Council President Fenwick to confirm.

Work/Closed Session Minutes – March 28, 2023

Work/Closed Session Minutes – April 11, 2023

A motion was made by Council President Fenwick and seconded by Councilmember Capilli to confirm

REPORTS OF THE GOVERNING BODY

Councilmember Hoffman: At the beginning of this month we had our I believe it was our 12th annual car show and the weather could not have been better, I actually got really sunburned. That weekend we had a really great showing I believe there were over 100 cars that registered for the event. I was very honored to be able to give the Mayor's Choice Award, we were communicating throughout the day. I sent the Mayor photos and we picked what we mutually agreed on was our favorite car. I want to thank all the volunteers of the recreation committee for their hard work, being out there all day in the sun. It really was a great event, we had no complaints. This coming Monday is Memorial Day and we are having a Memorial Day ceremony as we do every year, which starts at 9am in Veterans Memorial Park right across the street. The annual parade this year is starting in Montvale, we gather at 10 and start walking at 10:30. This summer we have the returning of our summer concert series Thursday is starting July 6th every Thursday at the Pavilion on Davies field with a different band playing each week from 6:30 until 8:00pm. June 10th coming up is our town picnic, we have a bunch of food vendors, beverages and a live band and so much more and inflatables for the kids. This past month the planning board met and we began to hear an application for a new structure on 155 Park Ave which is those Garden Apartments. we heard from the engineer and the architect and June 14th is the next planning board meeting where we'll hear the remaining testimony of the civil engineer and also I believe the traffic engineer. June 14th at 8pm here and anyone is welcome.

Councilmember Ferguson: I would like to congratulate Officer DeGregorio and Dutcher for going over and beyond to help a two-year old boy who was having trouble breathing from croup couple weeks ago. Their mom, dad and bother thank you and all of Park Ridge. The Park Ridge pool is open so if you have not done so register and enjoy the nice weather. We have the Memorial Day Ceremony and Parade coming up and I hope everyone enjoys the extended weekend.

Councilmember Cozzi: I just like everybody to know that the library has passed their budget. They had a little bit of a surplus this year they were happy to report. More importantly one thing that Chris Doto has said with regard to Story Time and the reading that is done by Rene live and video, even when Rene is not there to read the story, that parents have been joining in and reading. They will also be doing at the pool as well reading story time there as well. I would like everyone to know that your Utility Board is working very hard and trying very hard to coordinate what's going on and what has been a very difficult process up in the old Sony property. That is an ongoing process and we're working very hard right now. I've only been on the board a few months, but I'm finding out how important and how hard a lot of these people work around the clock to help run our utility. Our utility is the crown jewel of Park Ridge.

Councilmember Capilli: No report.

Council President Fenwick: Councilmember Goldsmith expressed his regrets that he could not be here tonight, but unfortunately, he is ill, but he did want me to express there is no update on the Board of Health. We did have a meeting of the shared services committee. We had previously discussed the renewal of the joint Municipal Court as a council here and we agreed to move forward again. So today the shared services committee finally finalized that joint agreement. It will be voted on by each of the three towns in the coming months. Unfortunately, Woodcliff Lake has only one meeting a month so the passage of that will be a little later. Also in relation to the Court, unfortunately our new prosecutor Mr Wojak is on leave of absence due to some health concerns so we wish him well. Steve Wellinghorse who is a prosecutor with decades of experience highly regarded in the legal community is now our stand-in prosecutor. the court reported today that he's doing an excellent job they're very happy with his services. There has been no meeting of the finance committee and there was no meeting of the Redevelopment committee. I also attended the car show. It was a great time we had record turnout it was great to see so many of our residents. I would also like to encourage everyone to go to the Memorial Day parade and memorial service on Memorial Day. I know during covid the parade had been disrupted, but we're back in the swing of things and I know Commander Oppelt of the American Legion has been working hard on putting on a great parade

Mayor Misciagna: I would also like to first and foremost thank the Police Department, especially Officer Dutcher and DeGregorio for a fine job with a young child. We have come to expect that from our department, they've always doing things like that. I think there was another report where they went from doing something like that, to rescuing a fawn out of a sewer. They do everything from the extremely dangerous to community policing and we respect them very much. I also would like to thank Greg Hoffman for covering for me at the car show. I love the car show. I do want to say that I was involved with the choice of the car because you were texting me pictures of the vehicles and we described it. I'm sorry I couldn't be there I was I was

away on business at a conference in Tennessee, so I'm sorry I missed it. I will be there next year if I can.

ADJOURN

A motion was made by Council President Fenwick and seconded by Councilmember Cozzi to adjourn the Regular Mayor and Council Meeting. Meeting adjourned at 8:26 P.M.

AYES: Councilmember Hoffman, Councilmember Ferguson, Councilmember Capilli, Councilmember Cozzi and Council President Fenwick.

ABSENT: Councilmember Goldsmith
